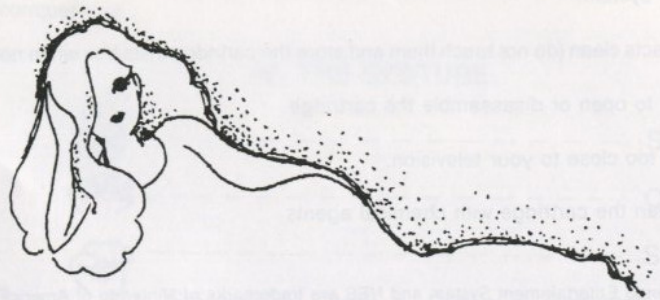
I. INTRODUCTION

Honey peach is a game of scissors, stone and cloth which most of us had played it before. You will play against four beauties from different country. Each time you win, the beauty will take off a cloth of hers. If you lose, you will .....



PRECAUTIONS

1) Store at room temperature. Do not subject to environmental extremes.

2) Always ensure that power is off before inserting or removing the cartridge from the Nintendo® system.

3) Keep contacts clean (do not touch them and store the cartridge in its box when not in use).

4) Do not try to open or disassemble the cartridge.

5) Do not sit too close to your television.

6) Do not clean the cartridge with chemical agents.

COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in accordance with the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna.
- Relocate the NES® with respect to the receiver.
- Move the NES® away from the receiver.
- Plug the NES® into a different outlet so that NES® and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions.

The user may find the following booklet prepared by the Federal Communications Commission helpful: HOW TO IDENTIFY AND RESOLVE RADIO-TV INTERFERENCE PROBLEMS. This booklet is available from the U.S. Government Printing Office, Washington, D.C. 20402, Stock N. 004-000-00345-4.

Note: NES® is the abbreviation for Nintendo Entertainment System®.
